

Workshop Summary Sheet

CLASSROOM MANAGEMENT ~ In control, you're in the driver's seat.

Steve Gedies, Linda Jenken, Kim Wilmink

Workshop Description:

Classroom management can be a major stressor for faculty and students. In this workshop participants, through reflection and active participation, will identify challenges occurring in the classroom, explore various management techniques and take away tools and strategies to enable them to create and maintain of an effective learning environment.

Learning Outcomes:

Through active engagement in this workshop, participants will:

- Identify classroom management challenges that may arise during active learning.
- Explore strategies and techniques to encourage learners to demonstrate ownership of their own learning and progress.

Facilitator: Steve Gedies, Linda Jenken, Kim Wilmink
